

PRODUCT LINE CARD

PRIMARY ELECTRIC SUPPLY, INC.

PRODUCT SUPPLIER TO

THE ELECTRICAL INFRASTRUCTURE CONSTRUCTION INDUSTRY

Primary Electric Supply, Inc. is an privately owned wholesale electrical distributor. Founded in 1980, Primary Electric Supply, Inc. has partnered with the industry's most respected manufacturers to offer our customers the exact products and services that they require. Primary Electric Supply ,Inc. has grown to be a vital link in the supply chain between manufacturer's and the area's professional contractors. We provide the expertise, knowledge and flexibility to exceed the demands of today's industry.
